

**BADAN PERENCANAAN PEMBANGUNAN DAERAH
(BAPPEDA PROPINSI PAPUA)**

**HARMONISASI PROGRAM PEMBANGUNAN MANUSIA
DAN DONOR DI PAPUA**

Januari 2007

Kerjasama antar UNDP dengan Pemerintah Propinsi Papua dan multipihak di Papua.

Kata Pengantar

Salam sejahtera untuk kita semua,

Pembangunan yang Berpusat pada Manusia di Papua yang berkaitan dengan pencapaian Tujuan Pembangunan Milenium atau *Millennium Development Goals (MDGs)* mendapatkan dukungan penuh dari Pemerintah, Sektor Swasta, LSM dan Komunitas Donor di Papua.

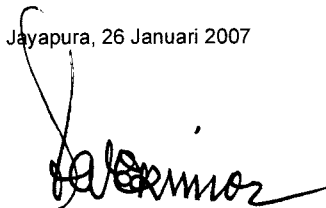

Pengembangan program pembangunan yang akan datang melalui Pemerintah dan dukungan dari pihak luar atau donor memerlukan peningkatan pemahaman tentang hikmah pembelajaran (*lessons learned*) dari kegiatan yang telah ada maupun yang direncanakan. Untuk itu diperlukan koordinasi yang erat antara para pihak yang berkepentingan dalam pembangunan di Papua termasuk donor dan pelaku lokal guna mendorong keselarasan kegiatan dan pemerataan hasil pembangunan secara efektif.

Sehubungan dengan maksud tersebut, BAPPEDA sebagai Lembaga Pemerintah yang bertanggung jawab dalam membuat perencanaan dan pengendalian pembangunan melakukan pemetaan kegiatan lembaga-lembaga donor yang bekerja di Papua untuk menjamin adanya harmonisasi dan sinkronisasi dalam pelaksanaan program yang dilakukan di Papua. Di samping itu, pemetaan kegiatan lembaga donor ini akan menghindari terjadinya tumpang tindih baik dari jenis kegiatan maupun lokasi pelaksanaan program.

Booklet ini merupakan edisi ketiga dan berisi informasi terbaru mengenai lembaga-lembaga internasional yang mempunyai kegiatan di Papua. Hasil kompilasi dalam booklet ini diharapkan menjadi masukan bagi para pelaku pembangunan di Papua. Agar pelaku pembangunan dapat terus memperoleh informasi yang akurat dan terkini, maka booklet ini akan diperbaharui dan diterbitkan secara berkala.

Akhir kata, kami mengucapkan banyak terima kasih atas partisipasi seluruh lembaga-lembaga yang telah terlibat dalam pembangunan di Papua. Semoga kita bersama-sama dapat mewujudkan tujuan pembangunan untuk meningkatkan kesejahteraan masyarakat di tanah Papua.

Jayapura, 26 Januari 2007

Dr. Ir. Abraham Werimon, M.Ed
Kepala BAPPEDA Propinsi Papua
